

CR-914 2016 NATIONAL CHAMPIONSHIP REGATTA

September 17th – 18th, 2016

Chesapeake Bay Model Racing Association is pleased to invite all registered CR-914 owners to the CR-914 2016 National Championship Regatta to be hosted at Warrington Farm Pond on Warrington Farm Lane in Queenstown, MD.

ABOUT THE VENUE:

This is a privately owned pond. It is a near perfect sailing venue for RC sailing with no trees surrounding the pond. The shoreline is relatively flat on most sides of the sailing areas and we will provide a dry launching area. There is no shade around the pond, bring tents. Power is not available at the venue, so charge those batteries. There will be a port a pot on site.

SOCIAL ACTIVITIES:

For Friday evening we are in the process of organizing an activity. More information will follow when this is finalized. A Saturday evening dinner is planned in the Annapolis Area. Light breakfast of coffee and donuts will be provided as will lunch for Saturday and Sunday. We are also looking into a Go Kart outing for those interested.

WHERE TO STAY:

There are numerous hotels in the area where sailors can stay. There is a Sleep Inn, Holiday Inn Express, Best Western and Hilton Garden Inn within 10 minutes of the pond. Additionally there are hotels on the west side of the Chesapeake Bay Bridge which may be less expensive than those on Kent Island.
